Promotion Period. The Promotion begins at approximately 15:00 Pacific Time on February 14, 2024, when individuals will be allowed to register; the Promotion ends when the Promotion play is completed and there is one remaining Participant (the “Promotion Period”). Sponsor’s database computer shall be the official timekeeping device for the Promotion.

In some cases, Participants may automatically advance to the next round of Promotion Play without playing if there are an odd number of players/Participants.

The number of games played or rounds of the Promotion may vary based on the number of Participants. The winning Participant of Promotion Play will be the last remaining Participant. Promotion Play may include some combination of the games listed below. Promotion Play may include consecutive rounds of the same game. Some of the games described below may not be part of Promotion Play.
